

Leucan HUMA Challenge (Adventure in Ecuador) Project Presentation

The Leucan HUMA Challenge is an adventure fundraising trip which involves many challenges for participants: **personal, cultural, physical, even fundraising ones**. A totally fulfilling experience! Participants must pay their travel expenses (or be sponsored!) and raise a minimum of \$3,000 in donations for Leucan. Take on the challenge!

The leading edge in adventure travel (www.expeditionsmonde.com)

World Expeditions has been one of the leading authorities in the field of adventure travel since 1975. With offices in Australia, New-Zealand, England and Canada, their itineraries are carefully designed and take into consideration the cultural realities of each destination, through the best possible conditions and an environmental philosophy of minimal travel impact. World Expeditions also distinguishes itself from other travel agencies by its commitment to service as well as the very inclusive characteristic of its travels - worry free trips. To help charities in Canada, World Expeditions created a charitable subsidiary called **Huma Challenge**. This unique activity has enabled numerous participants to raise funds for a cause.

A diverse and stimulating trip

We propose a 15-day journey, **from September 25 to October 9, 2010**, in this beautiful country of South America where the participants will discover two areas of Ecuador by trekking, cycling, rafting and horseback riding: the Andes and the Amazonia. Prepare yourself to live a unique experience!

Travel expenses add up to \$3,690* per participant and include:

- Group flight from Montreal
- Accommodation: 10 nights in hotel, hacienda or lodge, 3 nights in camping (twin share**)
- Certified local guide (speaking French, English & Spanish)
- All group transfers from/to the airport
- Camping equipment (except sleeping bag & mat), cook and mules during the trek
- 21-speed bike; bike helmet
- Meals as indicated in itinerary
- Activities as indicated in itinerary
- Emergency medical kit
- Private transport throughout trip

*The trip costs can differ according to the number of participant (20 to 25 persons: \$3,390; 15 to 19 persons: \$3,490; 10 to 14 persons: \$3,690; 6 to 9 persons: \$4,090). Reduction applies at the final payment.

**For people travelling alone, organizers will try to match them with a same gender person. There will be a \$200 supplement for people wishing to have a single occupancy room.

Are excluded: Departure tax (about US\$42), travel insurance (mandatory: CA\$182), sleeping bag (0°C) and mat, tips and personal expenses (bottled drinks and alcoholic drinks, phone calls, laundry, etc.), optional activities, meals not included (about US\$30-40), additional transportation for emergency, passport fees (about \$87) and vaccination. Participants have to pay non-refundable registration fees of \$300 to HUMA Challenge.

How to collect the funds?

Participants must collect a minimum of \$3,000 in donations for Leucan through the following methods: personal donations, donations collected from family and friends, and fundraising activities.

30 year-olds cured of cancer may join the group

As last year's Leucan HUMA Challenge (Cycling in Vietnam), we think that the participation of 29-31 year-old adults cured of cancer would be a fulfilling experience for them and other participants.

Join us! Take on the challenge to help children with cancer!

Places are limited...reserve quickly!
